

## FROM THE WINTER STUDIO, 2020

Art First has great pleasure in presenting recent work selected from artists' studios during Lockdown 2.0.

Both Autumn fairs, **The British Art Fair** and **DRAW**, were cancelled due to the pandemic, much to everyone's disappointment. As there was no online alternative, we created illustrated PDFs rather like this one for **Bridget Macdonald** and **Donald Teskey**, whose 'dialogue' on the walls of the BAF stand would have been quietly engaging. The PDFs can be e-mailed to clients and have been placed on the Art First website for easy access. Please do explore them if you would like to.

I am pleased to announce that the January 2021 **London Art Fair** at Islington's Business Design Centre has decided to offer an **online presence** in the face of having to cancel for the first time in 32 years. We will participate with online presentations of 5 artists: **Luciano Bonomi**, **Simon Lewty**, **Kate McCrickard**, **Jack Milroy** and **Mimei Thompson**. Notifications will follow in the New Year.

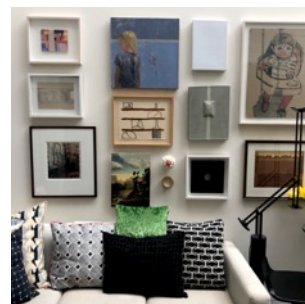

In the meantime, please find for your enjoyment - and to be sorely tempted - a selection of commended works. The website provides extensive information on every artist, showing other works, biographical and exhibition history, publications, collections et al.

It will be a pleasure to hear from you and to provide further images of these and other artists, on request. Works by the following artists are also available; images can be emailed directly - you only have to ask:

**Güler Ates, Helena Goldwater, Margaret Hunter, Gillian Lever, Simon Morley, Karel Nel, Graeme Williams.**
